**DERMATOLOGIC HISTORY**

Client \_\_\_\_\_ Patient \_\_\_\_\_  
Age \_\_\_\_\_ Breed \_\_\_\_\_ Sex \_\_\_\_\_ Spayed or Neutered  Y  N  
Today's Date \_\_\_\_\_  
CHIEF COMPLAINT (S) \_\_\_\_\_  
Age your pet was obtained \_\_\_\_\_ From where \_\_\_\_\_  
Age when problem first noticed \_\_\_\_\_ Onset: Sudden  Slow   
Is there a seasonal influence? No  Spring  Summer  Fall  Winter   
Where on the body did the problem begin? \_\_\_\_\_  
What did it look like then? \_\_\_\_\_  
Does the animal itch? Yes  No  When? Constant  Sporadic  Night   
What other animals do you own? Describe \_\_\_\_\_  
Do other animals or people in the household have skin problems, rash? \_\_\_\_\_  
Describe the animal's indoor environment, time (%) \_\_\_\_\_  
Describe the animal's outdoor environment, time (%) \_\_\_\_\_  
What does the animal sleep on? \_\_\_\_\_  
What diagnostic tests have been performed? \_\_\_\_\_  
What topical treatment has been used? Success? \_\_\_\_\_  
What oral or injectable treatment(s) has been used? Success? \_\_\_\_\_  
Do you have any thoughts as to the cause? What makes it worse? \_\_\_\_\_  
When was the last time you saw fleas on any of your pets? \_\_\_\_\_ Describe your flea control \_\_\_\_\_  
\_\_\_\_\_  
Animal's diet (including snacks & treats) \_\_\_\_\_  
Reproductive history: age of neutering? \_\_\_\_\_ Date, duration of last estrus \_\_\_\_\_  
Medical history: previous diseases, treatments, results \_\_\_\_\_  
Is the animal on any medications at present? Yes  No  Which ones? \_\_\_\_\_  
What other facts do you think would be helpful? \_\_\_\_\_  
\_\_\_\_\_

**MEDICAL CLEARANCE FORM**

GetFit Personal Training, LLC  
316-518-3696

Date: \_\_\_\_\_  
Dear Dr. \_\_\_\_\_,  
Your patient, \_\_\_\_\_, wishes to start a personal fitness training program with me. As a Personal Trainer certified by American Fitness and Training of Athletes, I require all of my clients to obtain medical clearance prior to starting his/her exercise program. In the spaces provided below, please indicate any medical conditions that may interfere with your patient's ability to participate in an exercise program consisting of strength, flexibility, and cardiovascular training as well as nutritional counseling. Please indicate any specific recommendations or restrictions that are appropriate for your patient in their exercise regimen.

If your patient is taking any medications that will affect his/her heart rate response to exercise, please indicate the manner of the pharmacological side effect (increases/decreases/has no effect on the heart).

Sincerely,  
GetFit Personal Training, LLC  
Renee Clark

THIS CERTIFICATE WAS ISSUED WITHOUT ANY ERASURE OR ALTERATION WHATSOEVER

GPK (L)

Some higher up roles require more training, but there are loads of prospects in administrative roles. MORE FROM BLOGLINES The Scheme provides for a range of tax reliefs in connection with the purchase and use of motor vehicles. If you do not have internet access you can contact the Central Repayments Office on 1890 60 60 61 between 2pm and 4pm Monday to Friday and request a paper form.7. Am I exempt from Paying Motor Tax?A vehicle which has been admitted to the Disabled Drivers and Passengers with Disabilities Tax Relief Scheme is also exempt from the payment of annual motor tax.8. Am I exempt from paying Toll Road Charges?Disabled drivers and disabled passengers whose vehicles are tax exempt under the drivers and passengers with disabilities tax relief scheme are exempt from tolls on each toll road in the state. Follow this link for further information and how to apply9. Complete the DD1 form and enclose together with the Primary Medical Certificate and return to: The Revenue Commissioners, Disabled Drivers Section, Freeport, Coolshanagh, Co Monaghan. Your GP or consultant cannot carry out the assessment.3. If the Primary Medical Certificate is refused can I appeal?Yes you can - you must contact the Disabled Drivers Medical Board of Appeal, National Rehabilitation Hospital, Rochestown Avenue, Dun Laoghaire, Co. Dublin. These include administering medication, starting an IV, health and safety coordination, lab testing and even assisting with clinical trials. Please register as soon as possible online. The introduction of Electronic Health Records means you'll be required to understand data laws and take responsibility for ensuring patients' personal information is protected. There are five different exams, but it doesn't matter which one you take. The job requires multiple skills, including customer service, administration and some clinical abilities. All you need is your PPS number, mobile or landline number, e-mail address and home address. As you progress in your career and gain more experience, you'll move onto more complex tasks. You can apply for relief either as a driver with a disability or a passenger with a disability. Can I buy a second hand car under the scheme?Yes you can, but only a vehicle that has not previously been registered in IrelandA used vehicle which was previously registered in Ireland will not be entitled to the full relief, you can only claim the residual tax contained in the value of the vehicle.Finally you must purchase a vehicle from a registered dealer. This is an independent Board whose decision is final. Both are great courses, which will prepare you for the workplace. Once processed the Revenue Commissioners will issue you with a letter of authorisation to allow you to register your vehicle without VRT. This will make the claim process easier as claims can be submitted and processed immediately. You then give the letter of authorisation to the garage where you bought the vehicle who will then register the vehicle and organise a VAT refund.5. What is the Fuel Grant Scheme and am I entitled to receive it?The Scheme is open to individuals who meet the specified medical criteria and have obtained a Primary Medical Certificate to that effect. Changes in technology mean medical assistant roles are much more varied today. If you have an interest in sports medicine, then Podiatry can be an excellent starting point or train in Chiropractics. However, make sure your course is accredited by the Accrediting Bureau of Health Education Schools (ABHES) or Commission on Accreditation of Allied Health Education Programs (CAAHEP). Appeals should normally be made within 28 days of refusal4. The annual maximum that a driver or passenger may claim will be 2,730 litres, and the annual maximum that an organisation may claim will be 4,100 litres per vehicle6. This is called an externship, and your college will arrange a placement for you. You'll need to go onto further study, but the process will be a lot quicker with a degree. Get Practical ExperiencePart of your course will involve gaining some hands-on experience. They all count as the same qualification to employers and are multiple choice. Becoming a medical assistant opens up a world of opportunities, but before you begin working, you need to get your medical assistant certification. You'll need to take classes at a school that trains medical assistants. Alternatively, there is provision for a family member of a passenger with a disability to apply.2. How do I apply for a Primary Medical Certificate?In order to get a Primary Medical Certificate you must firstly apply through your local Health Service Office (HSE) for an assessment with a Senior Area Medical Officer in the Health Board. What do I do once I receive the Primary Medical Certificate?Download a DD1 form from www.revenue.ie or telephone 1890 60 60 61. You can choose which area of medicine you like working in, such as Ophthalmology. Once you've received your certificate, you can start searching for work and begin your career. There are many areas qualified medical assistants can explore including focusing on administrative or clinic prospects. Your ProspectA clinical focus includes working more directly with patients and assisting with their care. Relief in respect of Vehicle Registration Tax (VRT) and Value Added Tax (VAT) may be obtained on the purchase of a vehicle, subject to a maximum of:€10,000 Driver with a Disability €16,000 Passenger with a DisabilityThe Scheme is open to individuals who meet the specified medical criteria and have obtained a Primary Medical Certificate to that effect. There are also medical assistants within the OB-GYN area, which is ideal for people with an interest in women's health. If you want to start work quickly, then you should choose the certificate. How do I apply for the Fuel Grant Scheme?The Fuel Grant can be applied for online from the 1st January 2016, using Revenue's new online service 'myAccount' on the Revenue website. However, if further education interests you, then an associate's degree will give you a foundation to progress into higher ranking job roles. Externships are ideal because they enable you to practice your skills and find out if the job is right for you. Medical assistants work in both administrative and practical capacities. They liaise with doctors and nurses to ensure the patient gets the best treatment. Can I buy a second hand car under the scheme?Yes you can, but only a vehicle that has not previously been registered in IrelandA used vehicle which was previously registered in Ireland will not be entitled to the full relief, you can only claim the residual tax contained in the value of the vehicle.Finally you must purchase a vehicle from a registered dealer.Page 2The Scheme provides for a range of tax reliefs in connection with the purchase and use of motor vehicles. They provide an invaluable service and assist in the daily running of any medical facility. wutzko/photo/Shutterstock Medical assistants are a vital part of the healthcare sector. Administrative focuses are perfect if you prefer organizational roles. If you qualify for the scheme you can claim 59p per litre of petrol, the rate for diesel will be 48p per litre, and the rate for liquefied petroleum gas will be 10p per litre. You'll take an exam about the medical assistant role and if you pass, you'll be awarded your certificate. The best thing about being a medical assistant is how varied the job is. You'll work with medical assistants and aide them in their daily duties. Go to www.revenue.ie to sign up. Your practical experience gives you the opportunity to ask qualified medical assistants questions, evaluate which skills you need to improve on and make connections. It's perfect for people that enjoy a challenge and want to learn a multitude of skills.What Do Medical Assistants Do?Some tasks you'll do as a medical assistant include: scheduling appointments, managing medical records, preparing examination rooms and patients, sterilizing equipment, perform basic medical tasks and drawing blood. If you're looking for a rewarding career and enjoy helping people, then a medical assistant role might be ideal for you. Patient care is the most important part of medical treatment, and a classroom teaching can't compare to real life experience. Getting Your CertificationSome medical assistant roles don't require certification, but it's advisable for career opportunities. There are two education routes to choose from; a certificate or associate's degree. You could be in charge of finances, data protection or insurance.
